Our Neighborhood

Oral Language ...................... 2-3
Science .............................. 4
Math ................................. 5
Picture Cards ....................... 6-8

Visit www.macmillanmh.com for online games linked to Unit 5 key skills.
To the Teacher  Review photographs of different neighborhood places with the class. Have children name and color the places they see in their neighborhood.
To the Teacher  Discuss being a firefighter with the class. Have children cut out and color the firefighter’s hat. Have them discuss what a firefighter might do while on the job.
To the Teacher Help children name and color the insects. Then have them discuss the similarities and differences of each insect. Ask: Which insects have wings?
To the Teacher Have children color in and count the cars, trucks, bikes, and buses. Guide children to make sets of five, then count to twenty.
To the Teacher  Help children cut out the picture cards.
